Leadership Training: Sharpen Your Leadership Edge: Competencies for the Modern Leader

Applied Technology Academy

This two-day interactive course focuses on the qualities and competencies found in outstanding leaders. It covers leadership behavior, ethical leadership, understanding change, applying leadership power, and setting goals. The course also explores nine competencies, including passion, integrity, and humor, which are beyond standard management theory but are vital to true leadership.

LEVEL	DURATION	EXPERIENCE	AVERAGE SALARY	LABS
Intermediate	**2 Days**	**None**	**Varies**	**No**

Course Overview

This two-day interactive Understanding Leadership Competencies Training course covers leadership behavior, ethical leadership, understanding change, applying leadership power, and setting goals. You will look at the qualities and competencies that are consistently found in outstanding leaders. Discover nine competencies in hard-to-pin-down areas like passion, integrity, and humor that lie well beyond the ordinary confines of management theory and practice, yet they contribute greatly to what we recognize as true leadership.
